Wednesday morning Excise Board to Hear Argument on Validity of Two-Mill Election

Arguments on the validity of the 2-mill excess lovy voted on In this city August 12, will be heard by the Tuisa county excise board at its adjourned meeting at the county convinionse. Those in favor of the proposition to provide sufficient funds for the proper maintenance of the city government for the fiscal year, declars that the state law requires only one-haif of the vote of the last regular election. In the last regular election less than by the Tuba county excise heard

the last regular election, less than 1,200 votes were cast, and upon this fact the city attorney will base his arguments in favor of the ac-ceptance of the election returns by the county excess board.
